Dear Mr. Pelham:

This is to acknowledge receipt of your email to our PSC Website Comments.

I am forwarding your email to our Docketing Department for handling. Your email will become a part of this Docket and will be posted on our website under this Docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling

Subject: Net Metering

I am writing to urge you to proceed as quickly as possible in establishing a policy of net metering in South Carolina. Our state needs to join the 40 other states which require public utilities to purchase surplus power from their residential customers. This requirement will increase the use of renewable energy sources, improve environmental quality, and reduce our dependence on fossil fuels (domestic and foreign).

Thank you for your consideration of my views on this important subject.

William H. Pelham, A.I.A.
